FAQ -- Virtual Field Trip SCHOOL Edition

1). How do I purchase a virtual field trip?

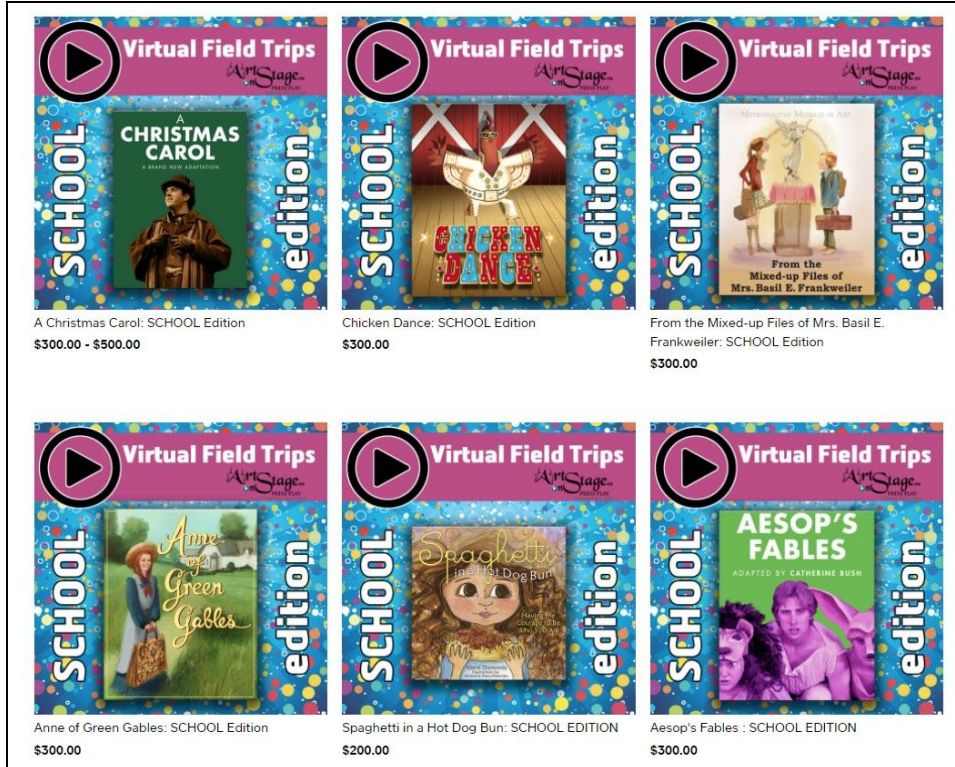

Step 1- Go to website, <https://artsonstage-pressplay.square.site/>

Step 2- Click on School Edition image

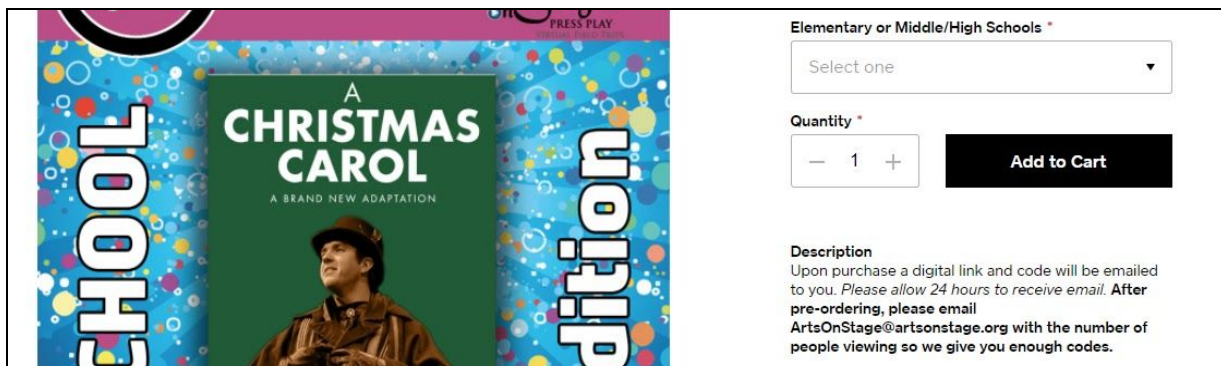

Step 3 - Click on the show that you are interested in (**there are more titles than what is shown below.**) There you will find a short synopsis of what's included with the purchase of your Virtual field trip.

Step 4 - **If you need an Invoice** because you are paying with a PO, Third Party, or needed for approval purposes, please click on “Contact Us” in the upper right hand corner of the website. Let me know what school you are from and what Virtual Field Trips you are interested in and how you will be paying.

Step 5 - If you are ready to pay with a credit card, click “Add to cart”.

PLEASE NOTE: A third party website link is included in the following show descriptions for purchasing: *Chicken Dance*, *From the Mixed Up Files of Mrs. Basil E. Frankweiler*, *Anne of Green Gables* and *The Monster Who Ate My Peas*. All others can be paid through our website.

Step 6- Once purchased, please email ArtsOnStage@artsonstage.org (or through Contact Us page) with the number of people viewing so we can give you enough codes.

3). How can I show this to my students at home?

Once the teacher receives the link to the performance he/she can pick a time and use the screen share option on their school's virtual platform to view the performance with their grade.

4). When I purchase a Virtual Field Trip, how long do I have to watch it?

Anytime before the end of the school year.

5). Do we need to watch the shows, and complete the activities in one day?

No, once purchased the performances and activities are fully accessible until the end of the school year.

6). Why are there different directions and offerings for different shows?

We are working with a multitude of production companies, allowing us to expand the amount of options available to you. Each company uses a different platform to present their show.
